Dear Whom it may concern;

I originally met Kosta Sebok in a Real Estate Course I was instructing. I have taught courses in all subjects that relate to real estate for the past 50 years.

Kosta is one of 300,000 students I have taught in my career. His passion for knowledge and his personal enthusiasm in learning is exceptional. He is an honor student in every sense of the word, to me. I have absolute respect for him and his commitment to be the "Best".

I recommend him in whatever path he takes. He will pursue excellence.

Sincerely,

A handwritten signature in blue ink that reads "Darryl Bradshaw". The signature is fluid and cursive, with a long horizontal stroke at the end.
