Subject: Letter of Recommendation

To Whom It May Concern,

This letter is in recommendation for Kosta Sebok.

Kosta reported under me as a Digital Publishing Lead Producer at Pro2Net Corporation. Pro2Net delivers a web-based product that is extremely complex and includes integrated streaming media components in many key business areas.

Kosta's work ethic and approach to his responsibilities were exemplary and of the utmost in attention to detail and high quality. I was very impressed with Kosta's focus in always achieving the highest quality standards with our product. Kosta would initiate processes when necessary, and was always willing to 'go the extra mile' when needed.

I highly recommend Kosta for employment, and wish him well in all future endeavors.

Sincerely,

Jeff Smiley
