Kosta,

Just a note to thank you for all the help you supplied to me during the back to back APON and ARN Conferences held at the Washington State Convention and Trade Center.

Your assistance, inside knowledge of the facility, and ever present courtesy to the client made our job pleasant.

Hope you have a great '97 and should we return to your area with a show, yours will be the first phone call we make.

Sincerely,

William L. Kerlin,
Sr. Event Manager
